

## X-POP LOLLIPOP STAND

HYC420

The X-POP is a flat pack lollipop stand that can be colour coded to your specific brand or campaign. Compatible with both clip frames and Textstretch fabric frames, the X-POP is versatile and visually engaging. Just what your brand needs.

The X base is removable and can be colour customised to suit your brand.

For extra exposure, we can mount frames on both sides of the stand.

### Features:
