Hygiene care is all about communication. Keep your customers informed about good hygiene practice and your policies around health and safety.

These aluminium and textile information totems are ideal to deploy in public areas. Their large graphic area ensure your message is seen.

The flat pack, modular system can be assembled without the need for tools and can be quickly re-purposed for alternate campaigns by simply fitting a new print or connecting more than one frame to another to create larger displays.

Features:

- Flat pack, modular hardware
- Washable textile prints
- Single or Double sided
- Custom layout available
- 2 Year guarantee on hardware

Size:

700mm (W) x 1700mm (H)
